

**PERFORMANCE  
PLUS<sup>+</sup>**

XG XTREME Grade is a superior option to all other abrasive discs on the market with a film backing and phenolic resin coat system. This combination makes XG a very versatile, durable cost-effective solution for all your sanding needs.

## XG XTREME Grade Abrasive

- + Premium aluminum oxide abrasive
- + Phenolic resin coated
- + Heavy duty film backed
- + GRIP attachment
- + Sizes: 3" and 6" discs  
3" and 5" grinding discs
- + Grit range: P80-P3000 (discs)  
P24-P80 (grinding discs)

**Save time and money using an abrasive from a brand  
you can trust with the performance you can count on!**

# XG XTREME Grade Abrasive
